

FEE SCHEDULE

With no minimum terms, contracts, or bundled monthly plans, Primebin's unique 'pay-as-you-grow' pricing was designed to keep your operating costs in control at all times.

Storage Fees

Storage fees are calculated based on the highest amount of space occupied in a given month. For example scenarios, please see the Help Hub.

Monthly Storage Rate (per cubic foot)	\$0.50 / Cubic Foot
---------------------------------------	---------------------

Handling and Packaging

Basic rates apply to packaged items under 12" x 12" x 6" in size or 20 lbs in weight. Items exceeding these specifications are classified as 'oversized'.

Basic Handling	\$2.00 / 1-item order + \$0.50 additional item
Over-sized Handling (heavier than 20 lbs)	\$1.00 / item surcharge

Basic Packaging	\$0.50 / item
Over-sized Packaging (larger than 12" x 12" x 6")	\$1.00 / item surcharge

Shipping Charges

Assessed and quoted at the time of shipment based on order sizes, recipient's address, and level of service requested. All discounts are calculated into the quoted price.

Returns and Restocking

All undeliverable or returned items are subjected to a SKU search (to determine which client the order belongs to) and restocking fee. Originally quoted OSN number must be present to process a return.

SKU Search and Restocking	\$5.00 / 1-item order + \$2.50 additional item
---------------------------	---

Included Benefits

All outbound orders include the following benefits at no additional charge:

- Delivery Confirmation
- Tracking Number(s)
- Standard Carrier \$100 Loss/Damage Coverage¹

All service charges are subjected to G.S.T. Account holder is responsible for keeping their account sufficiently funded at all times. Any changes to this fee schedule will be communicated 30 days in advance of the changes taking effect. Full Terms & Conditions Apply to all services offered.
